Believe that any communique issued jointly with Swiss WLD

gloss over true reasons for breakdown Bern conference and WLD

thus fail to reflect realities of situation. Most recent Swiss

performance reinforces belief Swiss have no intention ever im-

plementing Accord. Considering therefore strong representations

to Swiss with intention of eliciting unequivocal expression Swiss

intent RE implementation Accord. Pending analysis of situation

in light of Swiss reply DEPT may decide to report to IARA inability

to reach agreement with Swiss and request release from obligations

under Paris Reparation Agreement. Obviously/joint communique of

type envisaged ~~by~~ WLD make such course awkward and perhaps

impossible.

~~There is no communication (report) which authorize you to participate in~~
~~contemplate a communique and suggest~~ you urge your BRIT and FR

colleagues likewise to abstain and inform them that DEPT plans issue

press release along lines indicated DEPTTEL 11x at noon Wash time
