

## FELLOWSHIP APPLICATION 2005–2006

The Center for Advanced Holocaust Studies supports scholarship and publications in the field of Holocaust studies, promotes the growth of Holocaust studies at American universities, seeks to foster strong relationships between American and international scholars, and initiates programs to ensure the ongoing training of future generations of scholars specializing in the Holocaust.

The Center's Visiting Scholars Program awards fellowships on a competitive basis to support research and writing about the Holocaust. It is designed to meet the needs of scholars at all stages of their academic careers. The Center welcomes a variety of approaches by scholars in history, political science, literature, Jewish studies, philosophy, religion, sociology, psychology, comparative genocide studies, and other disciplines. Fellowships are awarded to candidates working on their dissertations (ABD), postdoctoral researchers, and senior scholars. Applicants must be affiliated with an academic and/or research institution upon applying for a fellowship. Individual awards are generally granted for one or two semesters, the summer, or the academic year, with a minimum tenure of three consecutive months. Certain fellowships provide for full academic year awards only.

The fellowships available from the Center are described in the annual brochure "Fellowship Opportunities" and on the Museum's Web site, [www.ushmm.org](http://www.ushmm.org), under the Center for Advanced Holocaust Studies. Potential applicants should consult those sources before completing this application.

### IMPORTANT: INCOMPLETE APPLICATIONS WILL NOT BE CONSIDERED

#### APPLICATION

All application materials must be submitted in English and must be typed or printed. A complete application must include:

- A completed application form.
- A curriculum vitae.
- A project proposal, not to exceed five pages single-spaced.
- Three letters of recommendation that speak to the significance of the proposed project and the applicant's qualifications to carry it out, to be sent directly to the Center for Advanced Holocaust Studies. Letters of recommendation may not come from employees of the United States Holocaust Memorial Museum. In addition, letters of recommendation from members of the Academic Committee of the United States Holocaust Memorial Council do not count toward the fulfillment of the three-letter requirement.

Please submit one copy of your application. All application materials, including letters of recommendation, must be postmarked no later than November 26, 2004. Hard copy submissions are required.

#### PROPOSAL

Your project proposal should not exceed five pages single-spaced. It should make your project clear to an interdisciplinary academic review panel in Holocaust and genocide studies. While the Center for Advanced Holocaust Studies recognizes that project proposals will vary according to the author's discipline or professional background, the basic elements requested below must be incorporated into the text.

- An analysis of the problem to be addressed, its background, and its significance to the field
- The basic ideas and hypotheses to be explored
- Reference to the originality of the proposed study through a brief statement that locates it within the current literature of the field
- The methods or approaches to be used
- The body of research materials that will be drawn upon at the United States Holocaust Memorial Museum and, where appropriate, the importance of other Washington-area resources
- A specific work plan that indicates what will actually be done during the term of the fellowship
- A plan indicating how the project results will be disseminated
